Dear Ms. Henney,

To partially atone for past FDA misdeeds (unquestionable the FDA has caused many deaths and continued/worsened illnesses by keeping products and information out of the hands of the public), please support the recently submitted claims re:

- 1) folic acid, B 6 and 12, and E for heart-related deficiencies,
- 2) pygeum and heart disease,
- 3) saw palmetto and BPH.

Yours truly,

Edgar Busch
